Dear Dr. Webb:

Carilion Giles Community Hospital ("CGCH") intends to submit a Certificate of Public Need Application for inclusion in the Diagnostic Imaging review cycle beginning May 2026.

CGCH proposes in this application to add one CT scanner on the CGCH campus at 159 Hartley Way, Pearisburg, VA in Planning District 4.

Please send all correspondence regarding this application to me, and I welcome any comments or questions you have about this project.

Thank you,

Peggy Norkus
