**RE: Letter of Intent - Carient Heart & Vascular, LLC
Establish Cardiac PET/CT Imaging, Coronary Artery Calcium Scoring, and CTA**

Dr. Cameron Webb
State Health Commissioner
Virginia Department of Health
109 Governor Street, 13th Floor
Richmond, VA 23219

Dear Dr. Webb,

Pursuant to 12VAC5-220-180, Carient Heart & Vascular, LLC intends to file an application for Certificate of Public Need approval to establish cardiac imaging services, including PET/CT imaging, Coronary Artery Calcium Scoring (CACs), and Computed Tomography Angiography (CTA), to be located in Springfield, Virginia, within Planning District 8.

It is my understanding that this application will be reviewed in Batch Group F for the upcoming cycle beginning May 1, 2026. Please confirm receipt of this notification and provide the necessary forms and guidance to initiate the application process.

Carient Heart & Vascular, LLC is a leading cardiology group with nine locations across Northern Virginia, committed to providing high-quality cardiovascular care to the community. We appreciate your time and assistance and look forward to working with you through this process.

If you require additional information, please do not hesitate to contact me at your earliest convenience.

Sincerely,

Lauri Garrett
