RE: Letter of Intent
Establishment of Intermediate-Level Neonatal Intensive Care Services
at UVA Health Culpeper Medical Center
Culpeper, Virginia
Planning District 9

Dear Dr. Webb:

In accordance with the Certificate of Public Need Rules and Regulations, this letter serves as notice by UVA Health Culpeper Medical Center ("CMC") of its intent to seek Certificate of Public Need (COPN) authorization to establish intermediate-level neonatal intensive care services at CMC. CMC is located at 501 Sunset Lane in Culpeper, Virginia, Planning District 9.

It is our understanding that the application for this project will be due on July 1, 2026. Should you have any questions or require additional information, please feel free to contact me. We look forward to receiving the applicable COPN application materials and any additional guidance that may assist in the preparation of this request.

Thank you for your time and consideration.

Sincerely,
