**Re: Letter of Intent
Harbour View Medical Center LLC d/b/a Bon Secours Harbour View Medical Center
Introduce Cardiac Catheterization Services with One Cardiac Catheterization Laboratory
Planning District 20**

Dear Dr. Webb:

Pursuant to and consistent with the filing deadline for letters of intent established by 12 VAC 5-220-180.A, I am writing to inform you that Harbour View Medical Center LLC d/b/a Bon Secours Harbour View Medical Center intends to file a Certificate of Public Need application to introduce cardiac catheterization services with one cardiac catheterization laboratory at its hospital in Suffolk in Planning District 20.

Thank you for your attention to this matter, and please do not hesitate to contact me with any questions.

Sincerely,

A handwritten signature in black ink, reading 'Andrew H. Spicknall'.

Andrew Spicknall, FACHE
President
