RE: COPN Request No. VA-8853
Montgomery Regional Hospital, Inc. d/b/a LewisGale Hospital Montgomery
Radford, Virginia
Establish a New Medical Care Facility with the Establishment of One CT Scanner

Dear Thomas Stallings:

In accordance with Chapter 4, Article 1.1 of Title 32.1 of the Code of Virginia of 1950 (the Code), as amended, I reviewed the application and all supporting documents submitted by Montgomery Regional Hospital, Inc. d/b/a LewisGale Hospital Montgomery to establish a specialized center for the provision of CT imaging at Radford ER on Tyler Avenue in Radford, Virginia.

As required by Section 32.1-102.3B of the Code, I have considered all factors that must be taken into account in a determination of public need, and I have concluded that **conditional approval** of the request is warranted based on the following findings:

1. The proposal to establish a specialized center for the provision of CT services is consistent with the standards and criteria of the State Medical Facilities Plan and the 8 Required Considerations of the Code of Virginia.
2. Capital costs for the proposed project are reasonable.
3. The proposed project is unlikely to have a significant negative impact upon the utilization, costs, or charges of other providers of imaging services in PD4.
4. There is no identified alternative to the proposed project that better meets the needs of the area to be services and is more beneficial than the status quo.
5. There is no known opposition to the project.

This certificate is valid for the period February 16, 2026 through February 15, 2027. The total authorized capital cost of the project is \$994,500.

Please file two copies of the application for a certificate extension with the Department no later than 30 days before the expiration date of the certificate. Part VIII of the Virginia Medical Care Facilities Certificate of Public Need Rules and Regulations identifies the filing requirements and review procedure for certificate extension requests.

Sincerely,

B. Cameron Webb, MD, JD
State Health Commissioner
