RE: COPN Request No. VA-8823
Lewis-Gale Medical Center, LLC
Roanoke, Virginia
Establish a Center for CT Imaging with 1 CT Scanner

Dear Mr. Stallings:

For your consideration, I enclose the Division of Certificate of Public Need (DCOPN) report and recommendation on the above referenced project. DCOPN is recommending **conditional approval** of this application for the reasons listed in the attached staff report.

If Inova Health System is willing to accept the recommendation for conditional approval of this project, please provide documentation of this acceptance *no later than July 25, 2025*. If not willing to accept, before the State Health Commissioner makes her decision on this project, the Department will convene an informal-fact-finding conference (IFFC) pursuant to *Title 2.2 of the Code of Virginia*. This IFFC has been scheduled for Friday, August 8, 2025 beginning at 2:00 p.m. in Board Room 4 of the Perimeter Center located at 9960 Mayland Drive in Henrico, Virginia. A copy of the procedures for conduct at IFFCs may be found at <http://www.vdh.virginia.gov/OLC/copn/>

Persons wishing to participate in an IFFC have four days from the date of this letter to submit written notification to the State Health Commissioner, DCOPN and the applicant stating a factual basis for good cause standing. If no person has submitted written notification stating grounds and providing a factual basis for good cause standing DCOPN will then notify you of the cancellation of the scheduled IFFC. DCOPN would then anticipate action by the State Health Commissioner within a few weeks of transmission. Should you have any questions or need
