**Re: Letter of Intent  
Heart and Vascular Group ASC, LLC  
Establish Cardiac Catheterization Laboratory Services in PD 20**

Dear Commissioner Shelton:

I am writing on behalf of Heart and Vascular Group ASC, LLC, to notify you of its intent to file a certificate of public need application for the establishment of a cardiac catheterization laboratory in Planning District 20.

The proposed project will include one fixed cardiac catheterization laboratory to be operated in an outpatient setting located in Virginia Beach, Virginia. The cardiac catheterization laboratory will be used for cardiac catheterization procedures and other cardiac services permitted under applicable Virginia statutes and regulations.

As required under the Certificate of Public Need process, the applicant will address project costs, need, and a more detailed project plan in the forthcoming application submission.

This Letter of Intent is submitted by the December 30, 2025 filing deadline and is intended to place this project in Batch Group B for the review cycle beginning March 10, 2026. Please confirm receipt of this Letter of Intent and advise regarding any required forms or additional procedural requirements.

Sincerely,

*Erin S. Whaley*
