Dear Dr. Webb,

This letter is to advise you that IFRC, LLC, intends to file a Certificate of Public Need application on or before October 1, 2026, to establish a specialized center for MRI and CT imaging services in Planning District 8 through the acquisition of one (1) MRI and the relocation of existing CT capacity to 8260 Willow Oaks Corporate Drive in Fairfax, Virginia.

The CT component of the project will be accomplished through the inventory neutral relocation and replacement of COPN-authorized CT capacity, utilizing one (1) CT unit from FRC of Woodburn, a freestanding imaging center located at 3299 Woodburn Road in Annandale.
