Dear Dr. Shelton:

Pursuant to 12 VAC 5-220-180, this letter is to inform you that our client, Virginia Ear, Nose & Throat Associates, P.C. (“VENTA”) intends to file an application for Certificate of Public Need approval to establish a specialized center for CT imaging in Planning District 15 within Chesterfield County through the relocation of VENTA’s existing CT service currently located at 161 Wadsworth Dr., North Chesterfield, VA 23236. As part of the relocation, VENTA plans to replace VENTA’s existing compact, upright CT scanner with a new CT scanner of similar design.

Please direct all correspondence regarding this application and transmit the necessary application materials to me at nmortier@sandsanderson.com. Thank you for your assistance and attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Nathan C. Mortier".
