## Volunteers Protecting the Health of Virginia

Medical Reserve Corps

# Peninsula MRC Orientation

*(online version)*

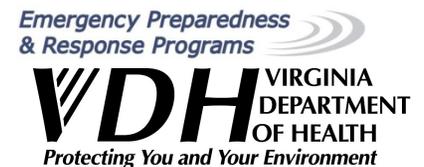

# Joining MRC

★If you are taking this Peninsula MRC Orientation and have not yet joined the Peninsula MRC via the Virginia Volunteer Health System, please stop and do so now at:

★Virginia Volunteer Health System: [www.vamrc.org/vvhs](http://www.vamrc.org/vvhs)

★Upon doing so, and once your VVHS application is approved by the MRC Coordinator, you will receive an email and be directed to complete this Orientation as required training, along with IS-100 and IS-700.

★You must take a post Peninsula MRC Orientation test (last slide) upon completion of this class.

# What will you learn today?

- ★ Define the Medical Reserve Corps
- ★ Examine the mission of the MRC
- ★ Describe the fundamentals of Public Health and Emergency Response
- ★ Identify your role and responsibilities as an MRC volunteer
- ★ Identify how our community will respond to a disaster or emergency
- ★ Test your knowledge-test required

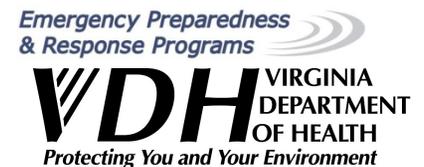

*Volunteers Protecting Virginia's Health*

# What is MRC?

The Virginia MRC Program is an entity of the Virginia Department of Health Emergency Preparedness and Response Program, and is a specialized component of the Department of Homeland Security's *Citizen Corps*, a national network of volunteers dedicated to making sure their families, homes, and communities are safe from terrorism and disasters of all kinds.

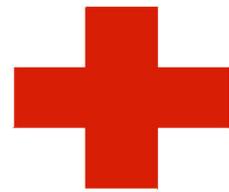

# Freedom Corps Umbrella

*Protecting You and Your Environment*

# MRC History & Facts

- After "9-11", a surge of "What can I do to help?"
- People not mentally/physically ready for austere conditions; became part of the problem
- Pres. Bush - '02 Created the USA Freedom Corps to pre-credential/train
- MRC was formed; now 1,000+ units and 250,000+ volunteers nationwide with 31 units and 10,000+ volunteers in Virginia!
- Sponsored by the Office of the Surgeon General
- Funded with grants from NACCHO and Citizen Corps

Volunteers Protecting Virginia's Health

# Partnerships/Stakeholders

- ★ **FEDERAL AGENCY PARTNERS** - Department of Homeland Security, FEMA, CDC, and Department of Health & Human Services
- ★ **STATE AGENCY PARTNERS** - VDEM, Public Safety Departments, VDOT
- ★ **PRIVATE PARTNERS** - Businesses, Banks, Hospitals, Clinics, Health Care Providers

DEPARTMENT  
OF HEALTH  
*Protecting You and Your Environment*

## MRC Concept Developed by the Office of Surgeon General

### *Why we exist...*

- **Pre-identify** medical and public health volunteers in the community; but you do not need to be a medical professional to serve
- **Credential and train** volunteers in advance of emergencies to better prepare them to serve
- **Utilize** them on an ongoing basis to strengthen the public health infrastructure

*Volunteers Protecting Virginia's Health*

# Surgeon General's Priorities

- ★ Increase Prevention
- ★ Eliminate Health Disparities
- ★ Improve Public Health Preparedness
- ★ Foster Community Resiliency

*Volunteers Protecting Virginia's Health*

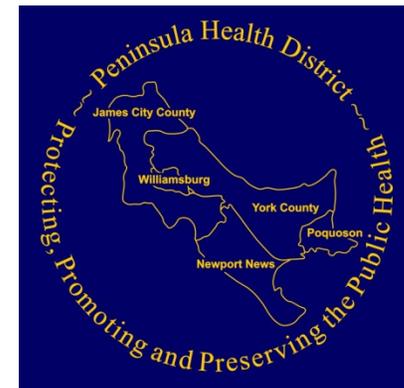

# Peninsula MRC

Covers the areas of:

- ★ Hampton
- ★ Newport News
- ★ Williamsburg
- ★ Poquoson
- ★ York County
- ★ James City County

Urban, Suburban and Rural Areas  
*Approximately 500 sq. miles*

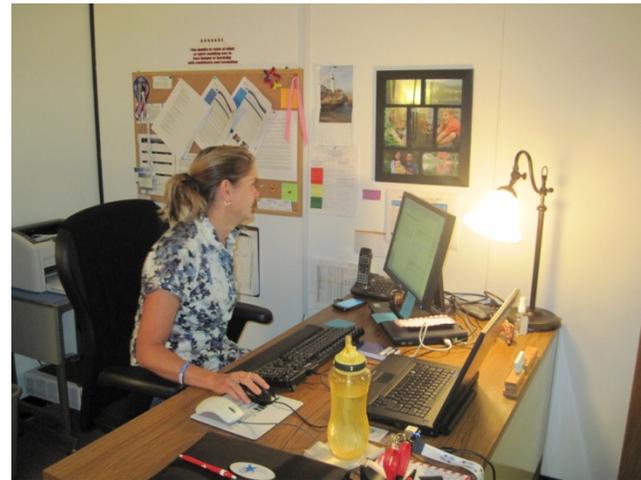

*Volunteers Protecting Virginia's Health*

# Medical Reserve Corps Unit

- ★ Recruitment, Selection, Placement
- ★ Credentialing
  - (VVHS, DHP, etc.)
- ★ Training
  - Mobilizing/deploying
- ★ Recognizing
- ★ Retaining - Ongoing Programs
- ★ Partners/Stakeholder Workgroups

## Medical Reserve Corps Unit – *Our Day to Day Operations*

*The Peninsula MRC Coordinator Reports Directly to the Emergency Planners for two Health Districts. The MRC Program Director is the Planner at the Peninsula Health Center.*

*The Planners report to the District Health Director*

★Peninsula Health District/Center (PHC)

- District Health Director <
- Emergency Health Coordinator

★Hampton Health District (HHD)

- District Health Director <
- Emergency Health Coordinator

*At the discretion of the MRC Program Director, an MRC Executive Committee, Emergency Management Advisory Committee, and Volunteer Leadership Committee may actively participate in decision making and direction of the PenMRC. See PenMRC Policies for more information. An Assistant MRC Coordinator may be hired to assist with administrative responsibilities*

Volunteers Protecting Virginia's Health

# Mission Statement

The **PENINSULA MRC's** mission is to deploy **approved/active** volunteers to augment and assist existing community operations during large-scale emergencies, aid in the response to pressing health care needs, and improve community emergency preparedness.

*Volunteers Protecting Virginia's Health*

# Large Scale Emergencies

- ★ Accidental/Technological Disasters
- ★ Terrorist Attacks
- ★ Public Health Emergencies
- ★ Natural Disasters

*Volunteers Protecting Virginia's Health*

# Disasters Defined

A sudden and unexpected occurrence of a severity and magnitude that normally results in deaths, injuries, and property damage and cannot be managed through the routine procedures and resources of government.

*Volunteers Protecting Virginia's Health*

# Technological Disasters

Situations in which large numbers of people, property, infrastructure, or economic activity are directly and adversely affected by major industrial accidents, severe pollution incidents, nuclear accidents, air crashes, major fires or explosions.

*Volunteers Protecting Virginia's Health*

# Terrorism

Emergency preparedness is no longer the sole concern of earthquake prone Californians and those who live in the part of the country known as "Tornado Alley."

## What is Terrorism?

The unlawful use or threatened use of force or violence against people or property to coerce or intimidate governments or societies, often to achieve political, religious, or ideological objectives.

# Bioterrorism - Is the threat real or exaggerated?

Peninsula

VIRGINIA

Volunteers Protecting Virginia's Health

**VDH** VIRGINIA  
DEPARTMENT  
OF HEALTH  
Protecting You and Your Environment

# Bioterrorism – Public Health

- ★ **Bioterrorism** is terrorism involving the intentional release or dissemination of biological agents. These agents are bacteria, viruses, or toxins, and may be in a naturally occurring or a human-modified form.
- ★ **Biological Warfare (BW)** – also known as **germ warfare** – is the deliberate use of disease-causing biological agents such as bacteria, viruses, fungi, or biological toxins, to kill or incapacitate humans, animals or plants as an act of war.

*Volunteers Protecting Virginia's Health*

# Bioterrorism – Public Health

## ★ Category A Diseases/ Agents

- Anthrax (*Bacillus anthracis*)
- Botulism (*Clostridium botulinum* toxin)
- Plague (*Yersinia pestis*)
- Smallpox (variola major)
- Tularemia (*Francisella tularensis*)
- Viral Hemorrhagic Fever (Ebola)

# Bioterrorism – Public Health

## ★ Category B Agents

- Brucellosis (*Brucella species*)
- Food safety threats (e.g., *Salmonella species*, *E coli*, *Staphylococcus aureus*)
- Glanders (*Burkholderia mallet*)
- Q fever (*Coxiella burnetii*)
- Ricin toxin from *Ricinus communis* (castor beans)
- Staphylococcal enterotoxin B
- Typhus (*Rickettsia prowazekii*)
- Viral encephalitis, EEE
- Water supply threats (e.g., *Vibrio cholerae*, *Cryptosporidium parvum*)

Peninsula

VIRGINIA

# Bioterrorism – Public Health

## ★ Anthrax

- 3 forms -coetaneous, inhalational, GI
- Infective dose is low - a few spores
  - 2001 attack through the US postal service - weapons grade - high spore concentration, uniform particle size, low electrostatic charge to reduce clumping
- 22 confirmed or suspect cases
- 11 inhalational (5 died)
- 11 coetaneous (7 confirmed and 4 suspect)

Peninsula

VIRGINIA

Volunteers Protecting Virginia's Health

**VDH** VIRGINIA  
DEPARTMENT  
OF HEALTH  
*Protecting You and Your Environment*

# Bioterrorism – Public Health

## ★ Inhalational Anthrax

- Incubation period 2-60 days
- Fever, malaise, cough, mild chest discomfort; possible short recovery phase then onset of dyspnea, diaphoresis, stridor, cyanosis, shock
- Death within 24-36 hours after onset of severe symptoms (case fatality = 100% if untreated)
- Hemorrhagic meningitis in about 50%
- Wide mediastinum on chest x-ray

*Volunteers Protecting Virginia's Health*

# Bioterrorism – Public Health

A Lifesaver candy:

- Weighs about 4 grams
- There are about 300,000,000 humans in the US
- Properly applied, were your lifesaver Anthrax, it would be enough to kill every man, woman and child in America.

*Protecting You and Your Environment*

# The Health Department in Emergencies

- ★ Implements quarantine/isolation measures *upon authorization from the State Health Commissioner*
- ★ Conducts water and food safety inspections

Volunteers Protecting Virginia's Health

# Who are MRC volunteers?

# *They are* Healthcare Volunteers

- Physicians
- Physician Assistants
- Nurse Practitioners
- RNs & LPNs
- Nurses Aides
- Pharmacists
- Mental Health Professionals
- Dentists

- Veterinarians
- Vet. Techs, and Assistants

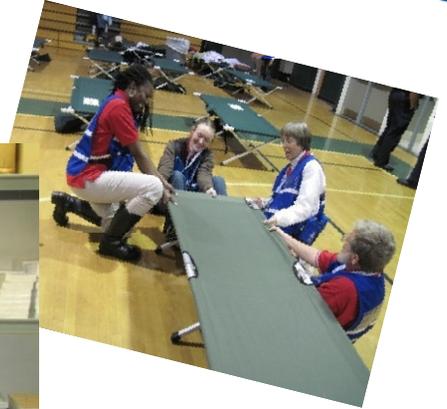

*Volunteers Protecting Virginia's Health*

# *They are Support Volunteers*

- Teachers
- Clergy
- Social Workers
- Interpreters
- Office & IT
- Telecommunications
- Anyone that is willing to volunteer!

# MRC Hurricane Response

- ★ Respond to Onsite Medical Emergencies
- ★ Staff Emergency Shelters-  
*General help, help with Pets, and Medical Special Needs*
- ★ Provide Emotional Counseling
- ★ All disasters start locally with response, but you can deploy within the State & Nationally, if desired

DEPARTMENT  
OF HEALTH  
*Protecting You and Your Environment*

# MRC Activation in Emergencies

- ★ MRC requests for volunteers are received in the Emergency Operations Center, Health Desk (ESF #8), and/or Health Dept. Operations Center and reviewed by the District Health Director or Planner
- ★ Approved (pre-trained, pre-credentialed) volunteers are alerted by MRC via emergency phone alert and requested for specific duties
- ★ *Do not respond to any emergency unless requested and officially deployed by MRC. If you do, you will forfeit your liability coverage, be removed from the Corps, and be held liable for any actions.*

Peninsula

VIRGINIA

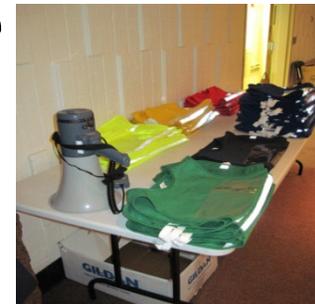

Volunteers Protecting Virginia's Health

**VDH** VIRGINIA  
DEPARTMENT  
OF HEALTH  
*Protecting You and Your Environment*

# MRC Activation in Emergencies

- ✓ If phone lines are down, listen to media announcements for how to serve/where to report to
- ✓ You must be **officially deployed** by MRC in order to serve
- ✓ You must follow instructions given by MRC
- ✓ You must follow instructions of the on-site Supervisor you are assigned to by MRC

*Volunteers Protecting Virginia's Health*

**VDH** VIRGINIA  
DEPARTMENT  
OF HEALTH  
*Protecting You and Your Environment*

# Training

- ★ Training is the gateway to serving and builds competent, confident, prepared volunteers
- ★ You are a local asset in an emergency
- ★ **Required training** in order to swiftly deploy:
  - Peninsula MRC Orientation (you are here now)
  - ICS-100  
<http://training.fema.gov/emiweb/is/is100b.asp>
  - ICS-700  
<http://training.fema.gov/EMIWeb/is/is700a.asp>
- ★ *Medical Professionals must maintain CPR/AED/First Aid credentials*
- ★ *If you have completed these courses, please promptly present the certificate(s) to the PenMRC office.*

**Peninsula**

VIRGINIA

Volunteers Protecting Virginia's Health

**VDH** VIRGINIA  
DEPARTMENT  
OF HEALTH  
*Protecting You and Your Environment*

# Training

- ★ Other recommended training: see training matrix on the PenMRC website
- ★ Some training is on-line while other training is live/classroom
- ★ You will receive VVHS alerts to your email address for other training opportunities as they become available.
- ★ You must have an email account to receive alerts for training (and non-emergency service opportunities).
- ★ Please follow instructions in the alert to register for training.
- ★ If you register, please mark your calendar, you will be expected at the training, otherwise please call the PenMRC Office to cancel. Reminders are not typically provided.

Volunteers Protecting Virginia's Health

# Volunteer Identification & Supplies

- ✓ PenMRC ID Badge
  - ✓ Acquired at the PenMRC office upon completion of required training and successful background check.
- ✓ Vest, if required by the Incident Commander
- ✓ Go-Bag if necessary, but bring your own personalized bag
- ✓ MRC shirt at first exercise/event

*Volunteers Protecting Virginia's Health*

# Liability Legislation

Liability insurance may be provided by the department utilizing their services both to regular-service and occasional-service volunteers to the same extent as may be provided by the department to its paid staff.

Volunteers in state and local service, including, but not limited to, any person who serves in a Medical Reserve Corps (MRC) unit or on a Community Emergency Response Team (CERT) established under VirginiaCORPS, shall enjoy the protection of the Commonwealth's sovereign immunity to the same extent as paid staff.

**Peninsula**

VIRGINIA

*Volunteers Protecting Virginia's Health*

**VDH** VIRGINIA  
DEPARTMENT  
OF HEALTH  
*Protecting You and Your Environment*

# Liability Legislation

## Code of Virginia 44-146.23 (Commonwealth of Virginia Emergency Services and Disaster Law of 2000)

MRC volunteers while engaged in emergency service and activities should be immune from liability for negligence caused when providing medical and health services so long as they are doing so under supervision of the VDH Emergency includes the threat of an occurrence that could cause substantial harm, preparing for disasters, and the prevention if injury.

Additionally, during an emergency, those volunteers who are licensed or certified to render health care services should receive immunity from negligence when they gratuitously render aid using their skills.

**Peninsula**

VIRGINIA

*Volunteers Protecting Virginia's Health*

**VDH** VIRGINIA  
DEPARTMENT  
OF HEALTH  
*Protecting You and Your Environment*

# Liability Legislation

## **Code of Virginia 2.2-3600 et seq., (State Government Volunteers Act)**

- MRC volunteers may enjoy the protection of the Commonwealth's sovereign immunity if they are deemed to be a volunteer of VDH

## **Code of Virginia 8.01-225.01**

- May provide protection from liability in cases where a provider is alleged to have abandoned his own patients while helping out in a declared emergency

*Volunteers Protecting Virginia's Health*

# Liability Legislation

## Code of Virginia 8.01-225.02

May provide certain liability protection for health care providers during declared disasters. In the absence of gross negligence or willful misconduct, any health care provider who responds to a disaster shall not be liable for any injury or wrongful death of any person arising from the delivery or withholding of health care when (i) a state or local emergency has been or is subsequently declared in response to such disaster, and (ii) the emergency and subsequent conditions caused a lack of resources, attributable to the disaster, rendering the health care provider unable to provide the level or manner of care that otherwise would have been required in the absence of the emergency and which resulted in the injury or wrongful death at issue.

Peninsula

VIRGINIA

*Volunteers Protecting Virginia's Health*

**VDH** VIRGINIA  
DEPARTMENT  
OF HEALTH  
*Protecting You and Your Environment*

# Liability Legislation

Virginia Code 8.01-225 et seq., the “**Good Samaritan Act**” MRC volunteers (and others) should be immune from liability for harm caused when providing emergency care to ill or injured persons at the scene of an accident, fire or any life-threatening emergency.

## **Federal Law: Public Readiness and Emergency Preparedness Act (PREP Act) Pub. L. 109-148**

- If the MRC's activities relate to the dispensing of drugs or devices in an emergency situation, the PREP Act might apply.
- During a public health emergency, the Secretary of HHS may appoint MRC volunteers as intermittent disaster response personnel, which grants them the legal protections when they are working within the scope of their Federal employment as members of the MRC federal deployment cadre.

*Volunteers Protecting Virginia's Health*

# Liability/Risk Management

- Virginia Medical Reserve Corps volunteers are covered by VDH's Risk Management policy for **daily public health activities**:
  - When under the direction of VDH and abiding by VDH volunteer policies (Virginia Code 2.2-1837 and 2.2-1840)
  - This includes up to \$2 million in Tort/Medical Malpractice Liability and up to \$10,000 for medical payment claims.

Peninsula

VIRGINIA

*Volunteers Protecting Virginia's Health*

**VDH** VIRGINIA  
DEPARTMENT  
OF HEALTH  
*Protecting You and Your Environment*

# Worker's Compensation

In most cases MRCs would currently **not fall under workers compensation in the Commonwealth. However, coverage could be provided if:**

- A locality decided to provide MRC workers compensation after adoption of a resolution pursuant to VA. Code 65.2-101.
- This would apply only to MRCs acting in the same locality as the local government. This is not the case currently in some areas of Virginia.
- VDEM (Virginia Dept of Emergency Management) requests MRC assistance and the MRCs are responding at the request of VDEM.
- MRCs would then be deemed to be employees of VDEM for purpose of the Virginia Workers Compensation Act and could be eligible for Workers Compensation. VA Code 65.2-101 (1)

(m) (1)

Peninsula

VIRGINIA

*Volunteers Protecting Virginia's Health*

**VDH** VIRGINIA  
DEPARTMENT  
OF HEALTH  
*Protecting You and Your Environment*

# Worker's Compensation

If MRCs are deployed by Virginia under an EMAC (Emergency Management Assistance Compact - [www.emacweb.org](http://www.emacweb.org)):

- Their coverage would be as described under the Workers Compensation Act's definition of —employee Workers Compensation as provided when members of the Office of the Civilian Medical Reserve Corps Federal Deployment cadre are responding to a federal response

*Volunteers Protecting Virginia's Health*

# HIPAA for MRC Volunteers

As a student/volunteer performing duties for the Virginia Department of Health, you will have access to the protected health information (PHI) of our patients. The fact that an individual is or was a patient of the VDH is PHI.

*Volunteers Protecting Virginia's Health*

# HIPAA for MRC Volunteers

It is illegal for you to use or disclose PHI outside the scope of your student/volunteer duties for the Virginia Department of Health.

Volunteers who violate HIPAA will face legal consequences and fines.

*Volunteers Protecting Virginia's Health*

# MRC Volunteers are Needed

*For an all hands on deck, large scale disaster, such as an aerosolized Anthrax Attack or other natural or man-made disaster:*

Hampton	1,250
<u>Peninsula</u>	<u>3,000</u>
<b>TOTAL Needed</b>	<b>4,250</b>
